THREE WEBSITE PROJECTS

Complete source code and colourful output previews

1. Bus and Train Ticket Booking Interface

Search trips, switch between bus/train, and select sample journeys.

2. Hotel Reservation Website Interface

Search stays, browse hotel cards, and try the demo reservation interactions.

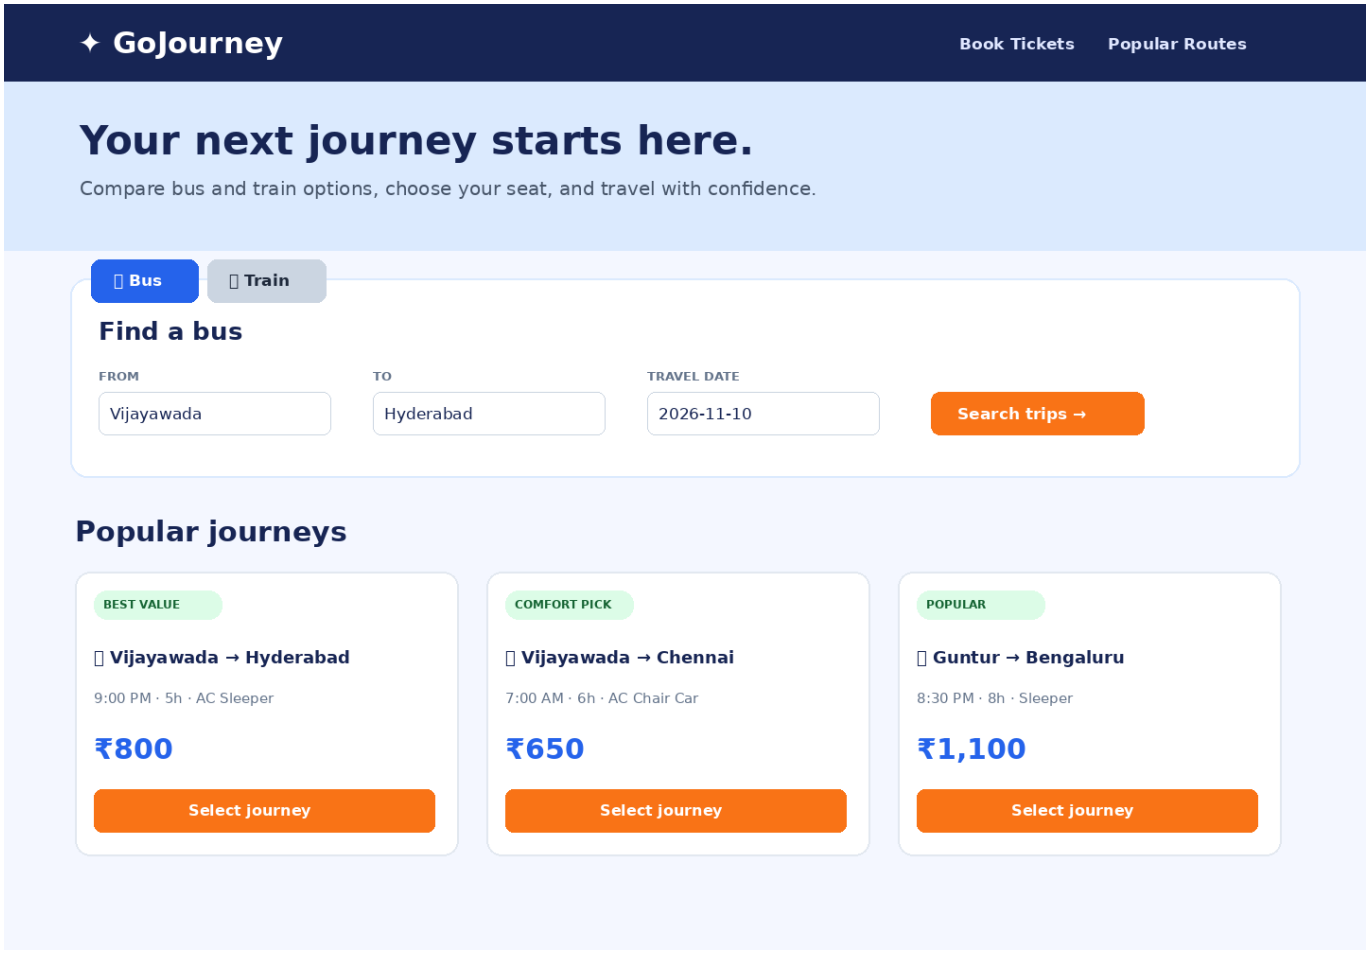

3. Personal Portfolio Website

Showcase profile, skills, projects, and an interactive contact form.

All three websites are standalone HTML files. CSS and JavaScript are included inside each HTML file; no external CSS or JavaScript files are used.

1. Bus and Train Ticket Booking Interface

OUTPUT PREVIEW

The output preview is a visual reference for the page layout. Open the included standalone HTML file in a browser to use its inline JavaScript interactions.
